Seeds That Flourish

In one of our Lent Services earlier this year the congregation all received sunflower seeds. We were thinking about the theme of death and resurrection and how seeds planted in the darkness of the earth grow as they seek the light. They are symbols of the new life in Christ which is the basis of our Christian hope-for ourselves, our Church, our community, and our nation and world. We are reminded that we grow as we live in the light of Christ and love and serve his name. By now (if you planted them!) your seeds will be plants and well on the way to flowering. We would love to share a photo of your blooms. If you send them to me, we will try and include a display in one of the Autumn services.

Local Calendars 2025

If you bought one last year, (they were very popular) we now have them in stock at Coffee Pot. Cost £5 (reduced from previous year)

JMA

Since the young people stopped collecting for JMA, several church members have kindly given a donation each year, which is very much appreciated, and hopefully they will feel able to do the same again this year. Any cheques should be made payable to The World Mission Fund.

If anyone else feels able to support the valuable work of JMA, by giving a donation, please speak to me by Sunday 18th August and I will be able to give you more information. Many thanks, Jill Harker (tele:780032)
